

Bunting Architectural Metals  
20 River Road  
Verona, PA 15147

Dear Josh,

Bunting Architectural Metals meets the requirements as an approved applicator to apply PPG Industries coating products. Approved applicators are audited on a regular basis and provide high levels of process quality in applying coatings.

A thorough line evaluation and analysis of production pieces painted at their facility have met or exceed the requirements of the AAMA 2603, 2604, and 2605 specifications.

Please visit the PPG website at [www.ppgmetalcoatings.com](http://www.ppgmetalcoatings.com) to review the company listing.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Scott Moffatt', written in a cursive style.
